**Lutherans for Life - June 25<sup>th</sup>** - “There is a logical slippery slope between euthanasia for adults and for children. If death is regarded as a ‘benefit’ for sick or depressed adults, then it is difficult to see why children should not be given this ‘benefit’ as well. Euthanasia and assisted suicide are contrary to the ethos of medicine, which is to care, not kill. We must ensure that treatment is only withdrawn from patients of any age for a good medical reason. The motive for withdrawing treatment should never be to end a life.” *Dr. Anthony McCarthy, SPUC Pro-Life – A Life Quote from Lutherans for Life*
