Nations and individuals depend on both the grace of God and His mysterious purposes in history. If any nation wishes to become great, it must bend to protect the least of its irreplaceable citizens, starting in the womb.” *James M. Trinity is looking into the option of creating online and mobile giving opportunities for our guests and members. We have included the following information for you to consider. Please let us know if this is a service Trinity should offer. You may share any feedback with Pastor, an Elder or a member of the Church Council.

Vanco's Give+ Online

The next generation of online giving

People are at the heart of your ministry — and their contributions are crucial to funding your missions and doing the important work you are called to do. So making it easy for members and guests to give — whenever and wherever they are — is critical.

Create more giving opportunities.

Members and guests can donate or pay securely and conveniently without ever leaving your website!

With its modern interface and intelligent features designed specifically for faith-based organizations, Give+ Online simply makes it easier for donors to give. They can contribute using their debit/credit card or by making an ACH donation through their bank, and they can:

- Give to multiple funds
- Make guest donations — no login in required
- Give in the moment or set up recurring tithes and offerings

Rely on the highest level of PCI compliance and security from Vanco

Plus, when donors choose to create a Give+ account, they can log in to see their giving history, store their debit/credit and/ or banking information and set up recurring donations — through Give+ Online or the convenient Give+ app.

Vanco's Give+ Mobile

If it seems like there's a smartphone app for everything these days — paying for coffee, checking in for a flight, arranging for a ride — it's because apps make life easier. Church members are looking for the same ease and convenience when it comes to giving.

With the award-winning giving app from Vanco Payment Solutions, your church can put the power of smartphone giving directly into your members' hands.

Our Give+ Mobile app is included with ACH or debit/credit card processing. Even better, Give+ Mobile is FREE for members to download and use.

Benefits for your church:

- Boost overall giving by letting members and guests give anytime, anywhere from their smartphone
- Start using the app today with no additional set-up, monthly or service fees
- Simplify forecasting/reconciliation with consistent transaction costs on all Vanco products
- Integrate seamlessly with ChMS and Vanco reporting

Benefits for your members:

- Quickly and easily donate using your debit/credit card or checking/savings account
 - Make one-time donations or set up recurring giving to multiple funds
 - Choose to create an account or donate as a guest
 - Securely and conveniently manage donations using Touch ID/Fingerprint, PIN or password
