**Lutherans for Life - August 27<sup>th</sup>** - "I know of obstetricians who have been doing abortions for many years who have broken down saying they cannot carry on any more. Despite all attempts at emotional neutrality, the heart does not work that way when you get a baby in front of you that colleagues on another floor of the same building would be trying to keep alive. [It is] extremely upsetting ... for the doctors." *Dr. Trevor Stammers, formerly a senior lecturer in general practice at St George's University Hospital, London – A Life Quote from Lutherans For Life • [www.lutheransforlife.org](http://www.lutheransforlife.org).*
