LUTHERANS for LIFE - November 6th “All human governments, even bad ones, are actually God’s agents of stability and order. How wonderful when individual Christians and their congregations don’t just hunker down and hide in their holy fortresses until judgment day. How wonderful when they get out into their communities and help, clean, repair, and build. How wonderful when their acts of love and mercy, given as freely as Christ’s love and mercy, touch and bless the lives of their neighbors, not just fellow church members. And how respectful when Christians refrain from ridiculing their elected officials, even when they strenuously disagree with them. To love God is also to love your country, you know.” *Rev. Mark Jeske, www.timeofgrace.org – A Life Quote from Lutherans for Life • www.lutheransforlife.org*

“10 Reasons President Harrison Should Shave”

1. Everyone could stand to lose a little weight.
2. Montana is Cowboy country where they take their mustaches very seriously.
3. Lutherans should loosen up and have a little fun.
4. President Forke’s children have never seen him without a mustache.
5. President Harrison would demonstrate true love for his neighbor (President Forke), by shaving.
6. Leadership requires true sacrifice for the cause.
7. We want our President to give more than lip service to fund raising.
8. Without a mustache, President Harrison would look a lot like Martin Luther.
9. President Forke *does* have the better mustache.
10. Raising money for future Church workers is good!
